Revolution-Gunners Announce Merger with LV Outlaws FC

Five New Boys Teams Integrating with Gunners Program

LAS VEGAS – July 21, 2017 – LV Revolution-Gunners FC today announced a merger with LV Outlaws FC (formerly Legends), strengthening its rapidly growing boys program.

Outlaws will bring five (5) new teams to the Gunners, bolstering the 2010, 2009, 2008, and 2006 age groups. While short-term roster construction will remain in-tact, club integration will begin immediately. Gunners will provide its coaching curriculum to Outlaws and assistance with practices. Gunners and Outlaws players will benefit from opportunities to receive extra practice sessions and guest playing experience.

“We’re continually looking for ways to provide our families with the most complete club soccer program in Las Vegas,” said Steve Preiss, President of Revolution-Gunners. “Over the past year, we’ve shared practice space with the Outlaws and witnessed first-hand the quality and talent they bring to the table.”

For Fall 2017, Outlaws will operate under the banner of Gunners-Outlaws and add the Gunners emblem to their existing uniform sleeve.

“Gunners and Dan Schell are recognized for running a first-class organization,” Derek Imig, President of Outlaws, explained. “More closely aligning with them was a no-brainer.”
